

**Nighthawk - 3X Night Weapon Sight**  
(Without P Rail Grabber) Part No. AA-658310-01

**Nighthawk - 3X Night Weapon Sight**  
(With P Rail Grabber) Part No. AA-658309-01

Constructed from a rugged aluminium housing or plastic housing which provides durability and dependable boresight retention during the entire mission, including at extreme temperatures.

To enhance the survivability and operability of this sight, the external objective lens and eyepiece lens elements are protected with an ultra-durable (scratch-resistant) coating which permits cleaning without fear of damage to the optical coatings.

This weapon sight provides excellent observation, target acquisition and aiming capabilities at night.

The weapon sight incorporates an illuminated (injected) reticle which is sharply defined and has variable intensity for best contrast against a light or dark target.

P-rail grabber: Part No. AA-651170-04 (0.2kg)

## Nighthawk 3X Night Weapon Sight (Without P Rail Grabber) Part No.AA-658310-01

## Nighthawk 3X Night Weapon Sight (With P Rail Grabber) Part No.AA-658309-01

### Optical Data

<b>Magnification (estimate)</b>	X3
Field of View	12°±1°
Objective Lens Focus	30m to infinity
Eyepiece Focus	+2 to -5 dioptres
Eye Relief	25mm
Reticle Type	Etched (design optional)
Reticle Adjustment	+/- 20 mrad
II Tube Type	Gen 2, Gen 2+, Gen 3
Power Supply	'AA' Alkaline Batteries (2 X 1.5v)
Battery Life	40 hours (nominal) at 20°C 12 hours (nominal) at 0 to -40°C

### Operating Temperature

Min / Max	-54°C to +52°C
-----------	----------------

### Dimensions

Length	258mm (excluding daylight cover)
Height	87mm (excluding P-rail grabber)
Width	100mm

### Weight

Excluding P-rail grabber, II Tube, batteries and daylight cover	1.34kg (aluminium housing)
